PART-II

AUTONOMY AND STREAMLINING OF FUNCTIONING

OFDC will submit such proposals for autonomy and streamlining of functioning as considered necessary by it for proper functioning and the same shall be considered by the Govt. on their merits.

PART-III PERFORMANCE CRITERIA AND TARGETS AND EVALUATION

Part-III A PERFORMANCE CRITERIA AND TARGETS FOR 2014-2015

A. Timber Working

During 2013-14, so far the production of round timber and firewood is 25038 cum. and 22144 MT as against target of 26400 cum. of timber and 14000 MT of round firewood respectively. On the sale of timber products, a revenue of ₹57.04 crore has so far been generated, of which ₹14.80 cr. and ₹1.80cr has been paid to Govt. towards Royalty and Forest Development Tax respectively. Keeping in view the performance in 2013-14 as well the coupe allotment already made to the OFDC by the Forest Department targets for 2014-15 have been derived as indicated in Annexure -1A.

B. Kendu Leaf Trade

During 2013-14 FY(upto January 2014), ₹3.58 lakh quintals of processed leaves and 0.89 lakh quintals of phal leaves were produced and sold against which ₹334.72 crore have been realised so far. OFDC released ₹271.81 crore towards Working Funds Advance to the K.L. Wing of the Forest Department. An amount of ₹60.94 crore towards Royalty and ₹38.00 crore towards F.D.T. have so far been paid to Govt. in 2013-14 and the OFDC is likely to earn ₹ 30.01 crore towards Commission on the trade.

Keeping in view the performance in 2013-14 and pending approval of the KLCC for the 2014 Crop, the physical targets set for 2014-15 and financial projections are made as indicated in the statement at Annexure – IA.

C. Bamboo Working

During 2013-14, the production of Bamboo is around 7000 SU of Industrial Bamboo. During 2013-14, so far OFDC earned a gross revenue of ₹ 2.57 crore on the Bamboo trade against arrear stock. A sum of ₹3.00 cr. and ₹0.22 cr. have been paid to Government towards Royalty and F.D.T. respectively. Keeping in view the performance during this financial year, targets for 2014-15 have been fixed as indicated in Annexure-1A.

D. Other Business Activities

Besides the above major business activities of the Corporation, certain others activities, namely, Plantation and miscellaneous works for different Agencies; sale of Cashew lots, Rubber and Minor Forest Produce (M.F.P.) items and working of Saw Mill Units also help the corporation generate revenue. The projected earnings from these activities which have been estimated on the basis of the performance during FY 2014-15 are detailed in Annexure-IB.

Part-III-B PERFORMANCE CRITERIA FOR EVALUATION

The mainstay of the business of the OFDC is to trade Timber and Timber products made available by the Forest Department on the basis of the approved Working Plans for different Divisions; to undertake plantation activities and to sell plantation products like Rubber, Cashewnut and Seedlings. After nationalisation of Kendu leaf and Bamboo, OFDC is also carrying out these business as a sole selling Agent of the Government and gets revenue by way of Agents Commission at the rate determined by the Committee constituted by the Government. The Commission so earned form part of the Corporation's revenue and contributes substantially for its sustainability and has been added to the turnover of the main business. The criteria selected for evaluation of performance of the corporation is placed under three major categories i.e, Static Parameters, Dynamic Parameters and General Measures. Sales of the mainstay business products including commission on the Turnover achieved for Kendu Leaf and bamboo sales are taken for determining the profitability of the Organisation. Besides, turnover of the important business activities, turnover in the Kendu Leaf and Bamboo trade while acting as an Agent of the Government has been taken as a performance indicator for evaluation of the Performance of the Corporation. Gross Margin, Return on Capital Employed, Contribution to Exchequer in the form of Royalty, Taxes, Duties etc are also taken for evaluation of financial performance of the Corporation and placed in the Evaluation Sheet under 'Static Parameters' carrying 50% of total weightage on the 100 - point scale. Other parameters with total weightage of 30% like Employees Training, Corporate Social Responsibility (CSR) Budget utilisation and Diversification in Business have been taken as 'Dynamic Parameters' in the Evaluation Sheet. 'General Parameters' such as submission of Annual Report to Administrative Department, Timely Submission of

MoU, Introduction of IT in the Business Process and compliance of the guidelines contained in the Corporate Governance Manual with a total weightage of 20 have been taken for compliance.

The Evaluation Sheet with the performance Criteria and targets and evaluation of the actual performance with reference to the assigned targets is placed at Annexure-II.

Assuming the current level of working, performance targets for evaluation are computed with the minimum production of 30,000 cum of Timber, 23,570 MT of Firewood, 30,000 MT of Bamboos and marketing of a minimum of 4,40,000 quintals of Kendu Leaf. Targets are derived from the projections made on the basis of Audited/Provisional Accounts of the Company for the year 2012-13 and 2013-14 and planning data has been compiled on the basis of the Working Plan of the Corporation. Further, since the business of the Corporation entirely depends upon timely receipt of approval of the Working Plan and decision of the Kendu leaf Co-ordination Committee and Bamboo Empowered Committee, delay in receipt of approval before the working period will affect the financial position of the Corporation and targets for evaluation prescribed in the MoU.

Definitions of Financial Terms used in the Target and Evaluation sheet:

Net Turnover: Represents the turnover excluding excise duty, sales tax, commission paid and discounts given but includes Commission on the sale value of Kendu leaf & Bamboo but excludes any accretion or depletion in the vale of stock.

Gross Margin: Represents excess of income over expenditure before providing for depreciation, interest on loans, taxes (including deferred taxes), extra ordinary items, prior period adjustments but before providing for appropriations to reserves.

Earning Per Share:- Means net profit after tax divided by Number of Equity Shares of the Company.

Net Turnover per Employee: Means net turnover divided by number of employees on the payroll of the organization.

Contribution to Exchequer- Means payment made to the State Government in the form of taxes, duties, cess, royalty, Silviculture Expenses, Bonus to Kendu Lead Pluckers, Contribution to VSS and dividend etc.

PART-IV

Commitments / Assistance from the State Government

In fulfilment of the obligations under the MoU, the Government will assist the OFDC in the following manner:

- Forest & Environment Department will assist in the process of approving Action Taken Report(ATR) for the year 2012-13 facilitating working of timber coupes during 2014-15 ensuring production of at least 30,000 cum of Timber; 23570 MT of Firewood and for obtaining approval of working plans.
- Government will consider lease of 10,000 hectares of forest land during 2013-14 for Plantation of Commercial and Economic Species and Bamboo Plantation as well as transfer of 10,000 hectares of forest land/bamboo forest land on long term lease basis to the OFDC for preparing Management Plan and implementing it as per rules. The OFDC will be responsible for identification of suitable land in consultation with PCCF.
- F&E Dept. will assist the Corporation in obtaining permissive possession of land (both Revenue and Forest) in favour of the OFDC in areas where plantation has been undertaken by the Corporation out of its own funds in keeping with the decision of Government.
- Facilitate to grant of Sawing Licence in favour of OFDC to establish and operate Saw Mill Units in the State for meeting the needs of the public for sawn timber.

PART-V

Action Plan for Implementation & Monitoring of the MoU

The performance of the Odisha Forest Development Corporation will be reviewed on an annual basis by the Department of Public Enterprises for evaluation in accordance with the prescribed procedure and format.
