Office Memorandum No. 1047/T/88/11-12

Dated, Bhubaneswar, the 7th August'2018

In partial modification of Revised Sale Policy for 1993, communicated vide Head Office letter No.3017(38)/2FC/S/32/92-93 dt.05.02.1993 and in supersession of Office Memorandum No.278/2FC/Board/22/09-10 dt..10.04.2013, 481/T/88/11-12 dated.12.05.2017 & 926/T/88/11-12 dated 29.08.2017, the general selling rates of round timber, sawn timber & planks are revised herewith as at Annexure I, II & III. This is to be implemented with immediate effect. The general selling rate of poles and ballies as communicated vide Office Memorandum No.926 dt.29.08.2017 will continue until further order.

The following guidelines are issued for implementation of retail and general sale:-

1. The general sale of round timber, sawn timber and poles etc. will continue as per earlier approval of the Board of Directors. The sale of round firewood and sawn firewood is excluded from general sale.
2. The general selling rate will be uniform for all primary depots, where the materials are initially received from forest/collection unit. When the materials are to be sold at any other depot at the request of the purchaser, then the expenditure incurred on loading, unloading, transportation and stacking would be added to general rate with the approval of concerned General Manager(S). However, in the interest of Corporation and to expedite disposal of stock, if the materials are proposed to be disposed by OFDC at other depots, then additional expenditure on such loading, unloading and transportation etc. will not be insisted. Such decision will be taken by Head Office on recommendation of the concerned General Manager (Zone).
3. For bonafide consumption of the local public, within the territory of OFDC division, retail sale of one cum of timber per family per financial year will continue. These materials can not be transported outside the jurisdiction of the division. For such retail sale, the selling rate will be at 70% of the general selling rate.
4. The stocks of round timber, sawn timber and poles etc. received at depots after remeasurement and serial numbering, will be made available (without lot formation) for 30 days (for hardwood) and 15 days (for softwood species), for selection by the consumers of both retail and general sale. 30% of coupe timber and 40% of irregular stock will be made available for retail sale and out of the balance of 70% of coupe timber and 60% of irregular

stocks, general sale will be made. Materials will be available to public on the basis of 'first come first served', both for retail & general sale.

5. Application for purchase of round timber, sawn timber, planks and poles etc. is to be accepted along with required deposits covering the sale value and taxes, through account payee bank draft drawn on any nationalized bank in favour of Odisha Forest Development Corporation Ltd and payable at respective Divisional headquarters. No cash transaction is allowed. However, in exigencies, an amount up to Rs. 5,000/- may be received in cash by the Depot Manager. Without payment of sale value and taxes, no stock can be earmarked in favour of any purchaser. After realization of sale value and taxes, the said stock is to be marked as "Sold" and the date of payment of sale value along with admissible taxes will be treated as 'date of sale'.
6. The stock remaining unsold after one month of receipt at depots, will be put to tender/auction sale through lot formation. While submitting the lot list to the Division Office, the Depot Manager shall certify that the stocks in the lots put to tender/auction sale, were received at depot prior to 30 days (for hardwood) and 15 days (softwood) of preparation of lot list.
7. The concerned Depot Manager can sell up to 7 cum of round timber or 1 cum of sawn timber/planks and 200 pcs of Poles to a purchaser in one occasion, beyond which permission of concerned Divisional Manager would be required. The Depot Manager will maintain separate register for retail and general sale with detail particulars of purchaser. No application without full payment of sale value including taxes will be entertained.
8. The concerned Depot Manager will ensure proper measurement of round timber/ sawn timber/planks etc to be sold both in retail and general sale. He has to furnish a certificate on each consignment to the effect that the measurement of materials sold in retail as well as general sale have been fully checked by him. The retail and general selling rate will be displayed at divisional notice board as well as depot notice board for information of general public. Round timber of Chandan, Khair, Red Sander and any other wood species, whose trading is restricted/banned by the State Govt., would not be sold. Their sale will be decided by the Head Office of OFDC Ltd.
9. For sale in tender/auction, the upset price may be fixed keeping in view the quality of timber, uneven composition of the lot, colour, tapering, knots, extent of sapwood, insect and borer attack, market trend etc. For deficiencies in quality, the percentage of defects will be assessed by the Divisional Manager keeping the trade practices, up to 50% of general selling rate as per provision under clause-24(d) of sale policy of 1993.

Formation of lots, proposal of upset price by Divisional Managers and approval of upset price by General Managers may be done as per clause-5 (iii) of sale policy 1993.

10. Lifting of purchased stock either through general sale or retail rate should be made maximum within seven days of date of sale, beyond which depot rent @Rs.35/- per cum per week would be realized up to a maximum period of four weeks. For genuine difficulties if any, lifting may be allowed beyond four weeks, on payment of usual depot rent @Rs.35/- per cum per week along with penalty of Rs.1000/- for one month or part of a month.
11. The timber requiring permit under the Orissa T.T. Rules 1980 shall be transported on the strength of Depot permit/ T.T. Permit issued by the Forest Officer/ staff of OFDC as per rule.
